 3. *Global Politics of Food* (Spring 2015)
-

RESEARCH ASSISTANCE

Territorial Disputes. Professor Paul Huth (PI)

September 2015 – June 2017

Collated open-source information on three aspects of territorial disputes: the legal claims made, any diplomatic or legal efforts to solve the dispute, and the degree of militarization. Updated

existing cases and identified four new cases which I added to the dataset. Qualitative data collected to allow quantitative coding.

Rebel Sanctuary. Dr Jacob Aronson and Professor Paul Huth (co-PIs)

Summer 2016

Collated open-source information on the characteristics of rebel bases in Northern Ireland and the Philippines from 1970 onwards. Applied the project codebook to the data collected to allow quantitative analysis.

OTHER TRAINING

European Consortium for Political Research, Summer Methods School

Summer 2015, Ljubljana

Process Tracing (introductory and advanced)

Oxford Spring School in Advanced Research Methods

April 2022, online

Quantitative Text Analysis

PROFESSIONAL EXPERIENCE

Hawkins Wright (London) – Market Research Analyst

September 2011 – June 2013

Specialist consulting in forest products and bioenergy. Worked for the bioenergy practice to produce bimonthly market reports, multi-client research papers, and biopower supply-chain/project due diligence.
